2010 MS4 Annual Meeting
Thursday, April 22, 2010
7:30 a.m. – 4:30 p.m.
Historic Paramount Theatre
1124 Meridian Street
Anderson IN 46016

You are invited to attend the third MS4 Annual Meeting in Anderson Indiana.

The 2010 MS4 Annual Meeting is designed to continue to educate local elected officials on the Rule 13 storm water permit program and provide the permittees with the needed information and tools to effectively implement their Storm Water Quality Management Plans (SWQMP). All regulated MS4 entities in Indiana are invited to attend.

The agenda will include information on the current federal storm water rule making, federal effluent guidelines, MS4 audits, community partnerships, program success stories, Rule 6 compliance, Rule 5 inspector's workgroup, and much more. This meeting is designed to provide regulatory information, technical support and MS4 networking opportunities.

MS4 permittees will be recognized for their implementation of their Storm Water Quality Management Plans

The agenda and registration forms will be emailed on February 1, 2010 to all permittees. Registrations are due no later than April 1, 2010. The planning committee recognizes the economic challenges to all communities in Indiana and has worked to keep the cost of registration as affordable as possible.

Rooms have been blocked at the Hampton Inn Anderson if you will be arriving in Anderson the night before. Mention 'MS4' to receive a special single occupancy room rate of \$89 plus taxes. Rooms must be reserved by April 7, 2010 for this conference rate.

IDEM would like to thank the Madison County Water Quality Partnership for their volunteer efforts to organize the 2010 meeting.

Sincerely,

Reggie Korthals
