1. Indiana CGP:

Solicited comments from INAFSM members on the draft Indiana CGP, compiled comments, and provided comments to IDEM. I was not able to attend the second meeting of the Advisory Group for the Indiana Construction General Permit (CGP) on August 31, 2017 but Lori Gates was able to attend in my place. The third meeting of the Advisory Group will likely be held next week to continue to review the proposed CGP and the initial comments provided to IDEM.

2. Legislation:

The first meeting of the Interim Study Committee on Agricultural and Natural Resources was held on August 29, 2017. I was not able to attend due to vacation and the meeting mainly focused on Confined Animal Feeding Operations (CAFO's).

Two (2) meetings of the Interim Study Committee on Environmental Affairs have been scheduled for September 26 and October 25, 2017.

3. WOTUS:

Timeline for commenting on the proposed rule to rescind the 2015 Waters of the United States (WOTUS) rule and recodify pre-2015 language for WOTUS has been extended for an additional thirty (30) days until September 27, 2017. Ten (10) teleconferences have been scheduled by USEPA for specific interest groups during the months of September, October and November 2017.
