

INAFSM Stormwater Committee Annual Planning Meeting for 218

November 1, 2017 - Greenwood City Center, Greenwood, Indiana

SUMMARY

Introductions and Agenda

- 16 in attendance / 2 phone in

INAFSM Business

- Membership year is September 1 through August 30
- Website update in progress / tentatively completed by end of November 2017
- Board meetings are open to members - contact Karen Avery (kavery@inafsm.net)
- Lori Gates reported that the Board will form a new Education Committee for both Stormwater & Floodplain – opportunity for Stormwater MCM 1 & 2 work group
- Lori Gates passed out a “National Stormwater Report Card” flyer with request to complete an online survey for the National Municipal Stormwater Alliance. The Alliance is compiling a nationwide grade for stormwater infrastructure similar to the American Society of Civil Engineers water Infrastructure Report Card
 - Take the survey at: nationalstormwateralliance.org/ReportCard

Review of 2017 INAFSM Annual Conference

- 310 attended at peak
- Many good comments / increasing interest in technical studies and data presentation

2018 INAFSM Annual Conference

- Sept. 5-7, 2018: Old National Events Center, Evansville
 - Hotel: Doubletree

Stormwater Committee

- Videos: construction BMP videos are in production – active construction topics
- Training opportunities: potentially sponsor professional certification training in early 2018
- Suggestions for annual conference presentations welcome
- Open invitation to members for discussing issues, sharing approaches and helping newcomers to the MS4/Stormwater area

Staci Goodwin, IDEM MS4 Program Coordinator

- IDEM Draft Rule 13 has been returned from EPA for IDEM to respond to comments
 - Implementation of the new rule will not occur until late 2018 or in 2019
 - IDEM will reach out to stakeholders with information and training options
 - TMDL plans and impaired waters will be more closely linked to MS4 activities
 - Staci has a list of new MS4 operators – use an FOI request to IDEM for information
- MS4 Annual Reports
 - should cover the period November 2015 to November (or December) 2017
 - narrative options – include “what you’re proud of”

- due within the period of February 1 – April 30, 2018
- submit to Staci Goodwin at IDEM
 - ◆ form found on IDEM website at “Rule 13: Annual Report – 51278”
 - ◆ http://www.in.gov/idem/5157.htm#owq_stormwater
- Please keep your MS4 contacts and email addresses up to date with Staci

MCM Work Groups
